

JOB TITLE: **SECOND IN PHYSICS**

REIGATE GRAMMAR SCHOOL INFORMATION FOR CANDIDATES

Role commences: **September 2025**

REIGATE GRAMMAR SCHOOL

Alderman Henry Smith founded Reigate Grammar School in 1675. For over 345 years, young people have been educated on the same site, in the heart of Reigate, a historic market town in the east of Surrey at the foothills of the North Downs in an area of outstanding natural beauty.

RGS is a leading HMC independent co-educational day school. It is a highly successful, happy and exciting school, which aims to provide a broad and balanced education to boys and girls that will prepare them for the modern world. The school song, *To Be a Pilgrim*, reminds our students that they are on a journey of noble purpose, to have an impact and to make the world a better place. We aim to educate the whole child and offer a broad range of experiences for all. We are an inclusive school and, built upon the vision of our founder, are committed to social mobility and the provision of bursaries through wider access and a supportive Reigatian community.

“Happy Kids Great Results” Good Schools Guide 2019

Reigate Grammar School caters for over 1050 students aged 11 to 18. Another 600 students are educated at Reigate St Mary's Preparatory and Choir School and Chinthurst School, RGS's junior and nursery schools – both recently shortlisted for UK Independent Prep School of the Year. RGS offers the very best academic education with equal prominence placed on the arts, sport and a rich extra-curricular programme. RGS has a distinctive educational philosophy and a strong ethos of pastoral care underpinning a well-rounded education. The House system has some clearly defined aims: for everyone to feel part of a team; to allow leadership to be nurtured; talent to shine; confidence to surge; teamwork to flourish; and competitive spirit to develop. In the school's academic culture of intellectual freedom, the structure of the curriculum means that students receive a strong grounding in core subjects but

can elect to pursue any area of interest. In the elective curriculum, one student may learn to trade stocks while another deepens their understanding of French literature. It is a challenging and balanced education, equipping students for the opportunities and demands of their future lives and allowing them to explore their personal passions.

The first line of the school's most recent ISI report asserts that 'the quality of the students' achievements and learning is exceptional': the first co-ed day school to achieve this rare accolade. RGS' approach to teaching and learning melds expert teaching knowledge with a modern, innovative approach to pedagogy with a judicious use of technology. Inspirational and personalised teaching and learning is at the centre of the vision and requires expert teachers. The school is one of a small number of world-class schools to have been a global pioneer in High Performance Learning, focusing on the development of global citizens, advanced performers and enterprising learners.

Outcomes at RGS are world-class, with 90% of GCSE entries graded at 9-7 in 2024. A Level results are equally impressive, with over 97% of entries graded A* to B. 95% of our A Level students went on to Oxbridge, Russell Group, and other top universities and medical schools. RGS has been included in the Tatler School Guide 2025 as one of the top schools in the UK and ranked in the Sunday Times Parent Power league tables as the best co-ed day school in the Southeast. In 2024, we won a Private Education Award for Most Nurturing School and are a finalist for Independent School of the Year for Contribution to Social Mobility, as well as a finalist in Muddy's Best School Awards for Best Learning Support and shortlisted for a Talk Education award for Innovation in Education.

Shaun Fenton, Headmaster, acknowledged as one of the outstanding educational leaders in this country, was elected Chairman of HMC in 2018-2019 and most recently awarded an OBE by Her Majesty the Queen for Services to Education.

SCIENCE AT RGS

The sciences are amongst the most popular and successful subjects at Reigate Grammar School. All students study all three sciences up to the end of the Fifth Form (Year 11) and large numbers continue to A Level. The Physics department has a strong academic record with 81% of students achieving 9-8 at IGCSE, and 84% of students achieving A*-A at A Level in 2024. Many students go on to study university courses related to the sciences, engineering and medicine.

All students in the First and Second Forms (Years 7 and 8) follow our in-house Junior Science curriculum. In the Third Form (Year 9), students start the Edexcel International GCSE (IGCSE) course. All pupils study all three sciences as separate subjects. All three sciences are available at A Level, with around 40 students opting to study Physics each year.

The three science departments share twenty-five teachers and six technicians, and are housed in a purpose-built facility at one end of the school site. There are fourteen laboratories, each with an interactive whiteboard. In addition to laboratories and prep rooms, there is a Science Common Room for teaching staff. All departments are well resourced with suitable equipment, textbooks, digital resources, and support materials. Students in Second to Upper Sixth Forms (Years 8-13) have their own digital devices and many lessons are taught through Microsoft OneNote.

In addition to teaching their specialist subject to IGCSE and A level, teachers are likely to contribute to the teaching of Junior Science in Years 7 and 8 and/or another science to GCSE.

THE POST

This is an exciting opportunity for an enthusiastic Teacher of Physics to join and help lead a dynamic team due to the current post-holder securing a significant promotion at another school.

The main responsibilities of the post of Second in Physics include:

- teaching Physics at GCSE and A Level;
- teaching Junior Science and/or a second science at GCSE;
- assisting with science activities as required;
- assisting with the administration of the department;
- working as part of a cohesive departmental team and sharing fully in the work of the department;
- helping to promote and encourage the study of science at RGS.

The successful candidate will be a graduate of a good university, able to demonstrate excellent subject knowledge, high academic standards, a commitment to experimental work and an ability to enthuse pupils of all ages. The ability to teach a second science to at least GCSE would be desirable.

Experience in a similarly high-performing academic environment will be a distinct advantage. A teaching qualification and experience of the UK education system are desirable.

All staff are actively involved in the co-curricular life of the school, and we encourage staff to share their passions with our pupils. Applications are especially welcome from staff who are able to support with a range of Outdoor Education programmes (including CCF and DofE), MUN, Public Speaking, Enterprise, or our busy Sport (especially Netball and Swimming), as well as from colleagues showing a commitment to lead and contribute to other specific areas of our extensive co-curricular programme.

SAFEGUARDING

This role will involve contact with children. Reigate Grammar School is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. All applicants should read the school's safeguarding policy (available on our website) and are required to declare any criminal convictions, cautions or disciplinary proceedings related to young people. Applicants must be willing to undergo child protection screening appropriate to the post including checks with past employers and the Disclosure and Barring Services. Full details are given on the application form.

EQUAL OPPORTUNITIES

Reigate Grammar School is an equal opportunities employer and welcomes applications from appropriately qualified persons from all backgrounds. We are dedicated to creating

and sustaining an environment that values individuality and difference and celebrates the diversity of both staff and pupils by fostering perseverance, tolerance and integrity. We believe in equal opportunity for everyone, irrespective of age, disability, gender, gender reassignment, marriage or civil partnership, pregnancy or maternity, race, religion or belief, sexual orientation or socio-economic background. Candidates will be assessed against relevant criteria only (i.e. skills, qualifications, abilities, experience) in selection and recruitment. We know that more diverse teams are stronger teams, and that the more inclusive we are, the more our staff and pupils will feel a sense of belonging and will thrive.

APPLICATIONS

Applicants are asked to complete the Teaching Application Form and Supplementary Form (which are also available on our website) and send them with a supporting statement addressed to the Headmaster as soon as possible and by **Monday 10 February 2025, 9.00am** at the latest. Please do not send a separate curriculum vitae. Applications will be considered in the order in which they are received, and the school reserves the right to make an appointment prior to the closing date. Shortlisted candidates will be invited for interview.

Within your application letter we would be grateful if you could indicate where you saw this position, whether it was from the TES or another source.

Applications should be addressed to The Headmaster and sent (by letter or by email) to the address below.
